THE ULTIMATE SURGEON'S CHAIR

SURGEON'S & ASSISTANT'S STOOLS FOR EYE- & MICROSURGERY

surgiForce

The ultimate surgeon's chair for microsurgery.

Armrests

- The individually adjustable armrests can be adjusted via the foot switches and the one-hand release

Seating system

- Our unique dynamic seating system supports correct sitting postures while protecting your back
- Seat height adjustment is also effected electronically, via the foot switches

Chassis

- The cast-aluminum lightweight chassis featuring double casters and a central brake provides maximum stability and at the same time unlimited mobility
- Battery operation for power supply-independent use
- Foot control element for seat height and armrest height adjustment; acoustic signal tone signaling the switch-over from armrest height to seat height adjustment

The optionally adaptable foot switch plate ensures the optimized layout of your foot control elements even during alternating uses, thus obviating the need for time-consuming repositioning maneuvers.

*Optional:
surgiForce with Combi seat.*

surgiTrend

Designed with preventive medicine in mind.

Armrests

- Rugged, 360-degree movable, and height-adjustable

Seat System

- Our unique dynamic seating system supports correct sitting postures while protecting your back

assistTrend

The perfect assistant's stool.

- High-grade, comfortable and easy-care upholstery fabric to meet even the most stringent hygiene requirements
- Comfortable height adjustment via foot-triggered gas pressure spring
- Excellent movement characteristics thanks to double casters and 5-arm, chrome-plated aluminum chassis
- Reduces typical work-related health problems: muscular tension in the neck and lumbar areas

assistLine

Versatile and space saving.

- Rugged safety chassis
- 5-armed design with double casters for extremely smooth movement
- Pedestal made of die-cast aluminum, polished
- Rotating and tilting anatomically correct saddle seat – comfortable and individually adjustable
- Maximum comfort level for your assistants, to prevent pain and fatigue while supporting the blood circulation
- High-quality, comfortable and easy-care upholstery to meet even the most stringent demands and hygiene requirements
- Height adjustment via manually triggered gas pressure spring

Bring your OR to perfection.
